## Info and Instructions about Pre Ordering

**Whole Free Range Chickens-** All chickens will be fresh on the Saturday that you choose. They will be available at the Farmers Market on that Saturday from 8am – Noon. We will send an email during the week prior to your chosen Saturday. Please add your pick up date to your calendar as a reminder. If you are not able to pick up your order, please arrange for someone else to pick them up for you. If your order is not picked up on the Saturday you chose it will have to be put in the freezer and will no longer be fresh (un-frozen). There is a \$5 non-refundable deposit required for each chicken ordered, which will be deducted from the final price on the day of pick up. Chickens are \$3.50/lb. and average 4 – 6 lbs.

**Whole Free Range Turkeys-** All Turkeys will be fresh on the Saturday that you choose. They will be available at the Farmers Market on that Saturday from 8am – Noon. We will send an email during the week prior to your chosen Saturday. Please add your pick up date to your calendar as a reminder. If you are not able to pick up your order, please arrange for someone else to pick them up for you. If your order is not picked up on the Saturday you chose it will have to be put in the freezer and will no longer be fresh (un-frozen). There is a \$20 non-refundable deposit required for each turkey ordered, which will be deducted from the final price on the day of pick up. Turkeys are \$3.50/lb. and average 12 – 24 lbs.

**Pasture Raised Pork-** Pasture Pork will be available by the whole or half hog. There is a \$200 non-refundable deposit for a whole hog or a \$100 non-refundable deposit for a half hog. The price is \$3.00 /lb. for a whole hog and \$4.00/lb. for half a hog. The charge for the processor is \$50 harvest fee plus .70¢ per pound and the processor will notify me of the harvest weight then I will notify you of the remaining balance. For example, if you purchased a whole hog and the yield is 100 lbs, you would pay \$300 for the hog, plus \$50 harvest fee, plus \$70 for processing. This would bring the total to \$420 and the price per pound for all the meat to \$4.20. I will have a spreadsheet that lists all of the available cuts and you will be able to choose what cuts you want. I will deliver your cut list to the processor and then pick up and deliver your meat on the next available Saturday. All monies owed to Cedar Linn Farm must be paid prior to picking up your meat. Your deposit will be applied to the total amount due. A whole hog will yield approximately 100 – 150 lbs. of meat and a half hog will yield approx. 50 – 75 lbs.
